The trees marked with a red X need to be removed by the owner. If you have trees along the edge of the road, please note they must be trimmed.

Please call the Service Department prior to 11:00 a.m. on Thursdays to schedule an Extra Trash Pick Up. Extra Pick Ups are for large amounts of bagged garbage or large items. On trash days, all garbage should be bagged and tied to prevent it from blowing out of the truck.

Please use blue bags for your recycling. Plastic flowerpots and plastic trays need to be washed and placed in a separate blue bag. Magazines, catalogs, phone books, glossy and plain covered magazines, and annual reports must be tied with string.

Just a reminder that the Service Department **CAN NOT** take items with Freon until the Freon is removed. We also **CAN NOT** take house hold paint in a liquid form. For other suggestions call the Service Garage.

The Service Department can no longer take fluorescent bulbs or the energy smart bulbs that contain mercury. Also, we are unable to dispose of old tires. If there are any questions, please call the Service Garage.

As a reminder, don't forget about June 2nd when the Shredding Company will be here from 12:00 noon to 4:00 p.m. They will shred all your unwanted files and paperwork.
